Bozeman Health/AMI Mammogram Project

About the Reduced Income Mammogram Project

Thank you for your interest in the Bozeman Health/AMI Mammogram Project. It is our goal to make this lifesaving detection procedure available to all women regardless of income. Funding is available for screening mammograms for women without insurance and underinsured women. In order to qualify, women must meet the following criteria:

- Low income
- No health plan coverage or a health plan with prohibitively high co-pays for mammography

Qualifying Applicants/Scheduling Appointments

For those applicants who qualify for the program and have submitted all appropriate documents, a mammogram voucher will be mailed to you within seven business days. Once you've received your voucher, schedule your mammogram by calling Advanced Medical Imaging at (406) 414-5201. Please bring the mammogram voucher to your mammogram appointment. Vouchers are non-transferable and may only be used at Advanced Medical Imaging. The outcome of your mammogram is important to us.
